Dear Dan:

This proposal recommends the addition of certain items to Equipment List Y, 3-Channel Data Reduction Depot Spares for Requirement No. 1. These additional items will provide Depot Spares support for the "E" Rack, MP-10549.

We have coordinated these items with Bob W. and have received his approval. The items marked "GFE" on the enclosed list of additions will be furnished directly by Bob W., but are listed to reflect the true requirements.

The estimated cost of these additional items is \$564.00, and the fixed fee of 8.25% computed on this amount is \$47.00. The total estimated cost including fee is \$611.00.

Sincerely,

Dean
